September Automatic Re-Enrolment

All our swimmers are AUTOMATICALLY RE-ENROLLED into September lessons. If you are planning on leaving us for whatever reason, **please let us know by 31st July** so that we aren't holding your place for you. Otherwise you will still be charged!

Newmarket Lessons Restarting in September!

As some of you may know, we used to run lessons from another private facility in Newmarket (Bury Lane), which sadly had to pause while renovations were taking place. We are very pleased to announce that the works are complete, so we can restart lessons in the new academic year!

Our Saturday morning teacher Jude will be teaching there after school on Mondays, Tuesdays and Thursdays initially; we will be adding more days as these fill up.

The great news is that our Newmarket pool has a deep end! So we are able to offer lessons to our more advanced swimmers (Stage 6 & 7) who have sadly had to say goodbye due to the limitations of our one-level pool, as well as those starting lessons for the first time.

THANK YOU!

We have been blown away by the lovely cards and gifts you have given us in the build up to the holidays. These were unexpected and unnecessary, but were gratefully received. Thank you for your kindness and generosity. Have a lovely summer!

Add our email address to your 'safe senders' list!

We are aware that some of our emails are ending up in people's junk folders when sent via LoveAdmin. Please check your junk folder for anything you might have missed.

PRICE INCREASE

As of September 2025, there will be a small price increase on some of our swimming lessons:

Independent children's lessons will be increasing from £19.50 to £20 and **private** lessons will be increasing from £54 to £55. Sibling discounts will continue for the cheapest lesson (private lessons not included).

MEET THE TEAM

Get to know our swim teacher Charlotte

How long have you been at CG Swim School?

I'm just finishing my first year at CG Swim School and my first year teaching!

Do you play any sports or have any hobbies?

I love driving around with music playing. Finding new music and car karaoke is my favourite thing to do.

What do you like to do in your spare time?

In my spare time I like to rewatch shows, scrapbook, make bracelets, drive, see my partner and my friends.

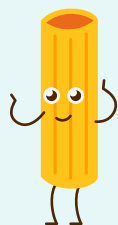

Where did you grow up?

I grew up in a village just outside of Cambridge.

Favourite meal?

Pasta! I will have pasta for any meal, any day. I make a really good creamy black pepper and red Leicester pasta!

Have you ever been to a concert or show? What was your favourite?

Concerts are my absolute favourite places to be! Since I turned 16, I've seen 16 artists and have 3 more this year. My absolute favourite show I've ever been to was when I saw Taylor Swift last year. I went to two of the Eras Tour shows last year and they were everything I had dreamed of after waiting since I was 6 years old and getting my first CD copy of Red.

Favourite book or current read?

My favourite book is better than the movies, and I'm currently reading the sequel - nothing like the movies!

Greatest accomplishment?

My greatest achievement has been how well I've done this uni year! Currently I'm on track to get a 1st for my first year. Academically the comeback has been so insane, I couldn't be more proud of myself!

If you could travel anywhere in the world, where would you go?

I'd love to go back to Italy - the food is IDEAL for me (I love pasta!). I'd also love to go to America, I have so many friends I've been waiting years to see!

Who would you love to have as a celebrity friend and why?

I think I would be best friends with Maisie Peters. She's so me and I'm so her. I think we'd so be best friends (and she could introduce me to Taylor Swift and Ed Sheeran!!)
